

# **PRATEEK SHARMA, MD, FACP, FACG**

Division of Gastroenterology and Hepatology  
University of Kansas School of Medicine  
VA Medical Center  
Kansas City, MO

## **Certifications**

- Diplomate of *American Board of Gastroenterology*
- ECFMG certified
- FLEX certified
- License to practice medicine - Kansas
- License to practice medicine - Missouri

## **Academic Appointments & Clinical Experience**

Professor Of Medicine:	Gastroenterology & Hepatology University of Kansas School of Medicine VA Medical Center, Kansas City, MO May 2007-present
Program Fellowship, Director:	Gastroenterology & Hepatology University of Kansas School of Medicine May 2002-present
Section Chief:	Gastroenterology & Hepatology VA Medical Center, Kansas City, MO October 2004-present
Associate Professor of Medicine:	Gastroenterology & Hepatology University of Kansas School of Medicine VA Medical Center, Kansas City, MO May 2002-April 2007
Assistant Professor of Medicine:	Gastroenterology & Hepatology University of Kansas School of Medicine VA Medical Center, Kansas City, MO October 1998-April 2002
Fellowship:	Gastroenterology  University of Arizona, Tucson AZ July 1995-June 1998 University of Kansas, Kansas City, KS July 1998-September 1998
Residency:	Internal Medicine

Medical College of Wisconsin, Milwaukee,  
WI  
July 1993-June 1995

Internship: Internal Medicine  
Christ Hospital & Medical Center, Oak  
Lawn, IL  
July 1992-June 1993

## Education

Graduate Education: MB, BS Bachelor of Medicine & Bachelor of  
Surgery  
MS University of Baroda, India (1986-1991)  
Graduated as the *Valedictorian*

### **Presentations at National Meetings**

1. Abstract titled "Detection of neoplastic tissue in Barrett's esophagus with *In Vivo* probe-based confocal endomicroscopy (DON'T BIOPCE). Final results of a prospective international RCT: Image guided versus 4 quadrant random biopsies?" Accepted for *oral presentation* during DDW (Digestive Diseases Week), May 2010, New Orleans, LA.
2. Abstract titled "Detection of neoplastic tissue in patients with Barrett's esophagus using probe confocal endomicroscopy: interim results from the 'Don't Biopce' Trial," Accepted for *poster presentation* during UEGF (United European Gastroenterology Federation) and WCOG (World Gastroenterology Organization) GASTRO 2009, November 2009, London, England.
3. Abstract titled "Detection of metaplasia (IM) and neoplasia in patients with Barrett's esophagus (BE using high-definition white light endoscopy (HD-WLE) versus narrow band imaging (NBI): A prospective multi-center, randomized crossover trial," Accepted for *oral presentation* during Digestive Diseases Week (DDW) Plenary Session, June 2009, Chicago, IL.
4. Abstract titled "Lower rates of healing of erosive esophagitis (EE) in nonwhite GERD patients." Accepted for *poster presentation* during American College of Gastroenterology (ACG) Annual Scientific Meeting, October 2008, Orlando, FL.
5. Abstract titled "Association between race and perception and resolution of heartburn (HB) in patients with GERD." Accepted for *poster presentation* during American College of Gastroenterology (ACG) Annual

Scientific Meeting, October 2008, Orlando, FL.

6. Abstract titled "Clinical and endoscopic characteristics of a large cohort of Barrett's esophagus (BE) patients with low and high-grade dysplasia." Accepted for *poster presentation* during Digestive Diseases Week (DDW), May 2008, San Diego, CA.
7. Abstract titled "Tak-390MR a proton pump inhibitor (PPI) with a novel dual delayed release (DDR) formulation, is highly effective in the healing of erosive esophagitis (EE): Data from two randomized controlled trials." Accepted for *poster presentation* during Digestive Diseases Week (DDW), May 2008, San Diego, CA.

41

8. Abstract titled "Effect of obesity on symptom resolution in patients with gastroesophageal reflux disease." Accepted for presidential poster presentation during American College of Gastroenterology (ACG) annual meeting, October 2007, Philadelphia, PA.
9. Abstract titled "Effect of acid suppressive therapy on narrow band imaging (NBI) findings in gastroesophageal reflux disease (GERD) patients." Accepted for *oral presentation* during Digestive Diseases Week (DDW), May 2007, Washington, DC.
10. Abstract titled "The development and validation of an endoscopic grading system for Barrett's esophagus – the Prague C and M criteria." Accepted for *oral presentation* during Digestive Diseases Week (DDW), May 2006, Los Angeles, CA.
11. Abstract titled "Accuracy of wireless capsule endoscopy for the detection of Barrett's esophagus." Accepted for *poster presentation* during Digestive Diseases Week (DDW), May 2006 Los Angeles, CA.
12. Abstract titled "Does degree of acid exposure differ between distal versus proximal esophagus in patients with Barrett's esophagus (BE)?" Accepted for *poster presentation* during Digestive Diseases Week (DDW), May 2006 Los Angeles, CA.
13. Abstract titled "Clinical utility of narrow band imaging (NBI) endoscopy in patients with gastroesophageal reflux disease (GERD)." Accepted for *poster presentation* during Digestive Diseases Week (DDW), May 2006 Los Angeles, CA.
14. Abstract titled "Non biopsy detection of metaplasia and dysplasia in

patients with

Barrett's esophagus (BE)." Accepted for *poster presentation* during Digestive Diseases Week (DDW), May 2005, Chicago, IL.

15. Abstract titled "Narrow band imaging (NBI) endoscopy for the detection of minimal changes in the distal esophagus in patients with gastroesophageal reflux disease (GERD)." Accepted for *oral presentation* during Digestive Diseases Week (DDW), May 2005, Chicago, IL.
  16. Abstract titled "A randomized controlled trial of ablation of Barrett's esophagus with electrocautery vs. argon plasma coagulation: long term results." Accepted for *oral presentation* during Digestive Diseases Week (DDW), May 2005, Chicago, IL.
  17. Abstract titled "The utility of a novel narrow band imaging (NBI) endoscopy system in patients with Barrett's esophagus (BE)." Accepted for *poster presentation* during Digestive Diseases Week (DDW), May 2005, Chicago, IL.
  18. Abstract titled "Patterns observed by narrow band imaging endoscopy and their correlation with gastric histology." Accepted for *oral presentation* during Digestive Diseases Week (DDW), May 2004, New Orleans, LA.
- 42
19. Abstract titled "Narrow band imaging endoscopy for the detection of dysplastic and non dysplastic Barrett's esophagus." Accepted for *poster presentation* at Digestive Diseases Week (DDW), May 2004, New Orleans, LA.
  20. Abstract titled "Dose escalation of proton pump inhibitor (PPI) therapy during endoscopic ablation of Barrett's esophagus (BE)." Accepted for *poster presentation* at the ACG Annual Meeting, October 2003, Baltimore, MD.
  21. Abstract titled "Use of narrow band imaging, a novel imaging technique, to detect intestinal metaplasia and high-grade dysplasia in patients with Barrett's esophagus." Accepted for *oral presentation* at the AGA Plenary Session during Digestive Diseases Week, May 2003, Orlando, FL.
  22. Abstract titled "Correlation between gastric histology and narrow band imaging, a novel endoscopic imaging technique." Accepted for *oral presentation* at the ASGE Plenary Session during Digestive Diseases Week, May 2003, Orlando, FL.

23. Abstract titled "Normalization of intra-esophageal pH in patients with Barrett's esophagus (BE) on rabeprazole & relationship of pH to Barrett's length and hiatal hernia," accepted for *poster presentation* during ACG Annual Meeting, October 2002, Seattle, WA.
  24. Abstract titled "Ablation of Barrett's esophagus (BE) using multipolar electrocautery (MPEC) or argon plasma coagulation (APC): A randomized controlled trial," accepted for *oral presentation* during ACG Annual Meeting, October 2002, Seattle, WA.
  25. Abstract titled "Natural history of low grade dysplasia – an infrequent finding which usually regresses – preliminary results from the Barrett's esophagus study". Accepted for *oral presentation* at the AGA Plenary Session during Digestive Diseases Week, May 2002, San Francisco, CA.
  26. Abstract titled "Non erosive reflux disease: prevalence, epidemiology and associated features," accepted for *poster presentation* at the AGA Plenary Session during digestive Diseases Week, May 2002, San Francisco, CA.
  27. Abstract titled "Can two upper endoscopies negative for dysplasia eliminate the need for future surveillance in patients with Barrett's esophagus?" accepted for *oral presentation* during ACG Annual Meeting, October 2001, Las Vegas, NV.
  28. Abstract titled" Control of esophageal acid exposure in patients with Barrett's esophagus on rabeprazole," accepted for *poster presentation* during ACG Annual Meeting, October 2001, Las Vegas, NV.
  29. Abstract titled "Detection of cardia intestinal metaplasia: Does the biopsy number and location matter?" accepted for *poster presentation* during ACG Annual Meeting, October 2001, Las Vegas, NV.
- 43
30. Abstract titled "Progression of Barrett's esophagus to high grade dysplasia and cancer-preliminary results of the Barrett's esophagus study trial," accepted for *oral presentation* at the AGA Plenary Session during Digestive Diseases Week, May 2001, Atlanta, GA.
  31. Abstract titled "Magnification chromoendoscopy for the detection of intestinal metaplasia and dysplasia in Barrett's esophagus,"

accepted for *oral presentation* at the ASGE Topic Forum during Digestive Diseases Week, May 2001, Atlanta, GA.

32. Abstract titled "Fate of high grade dysplasia at 1 year after endoscopic ablation with Nd: YAG laser and electrocautery," accepted for *oral presentation* at the ACG Annual Meeting, October 2000, New York, NY.
33. Abstract titled "Spectrum of intestinal metaplasia in the upper foregut: Inter-relationships and associated features," accepted for *oral presentation* at the ACG Annual Meeting, October 2000, New York, NY.
34. Abstract titled "Inflammation & intestinal metaplasia in the gastric cardia of patients presenting for upper endoscopy," accepted for *poster presentation* at the ACG Annual Meeting, October 2000, New York, NY.
35. Abstract titled "Increased detection of patients with short segment Barrett's esophagus (SSBE) using chromoendoscopy," accepted as *poster of distinction* at Digestive Diseases Week, May 2000, San Diego, CA.
36. Abstract titled "Cytokeratin 7 & 20 staining patterns in patients with cardia intestinal metaplasia associated with either Barrett's esophagus or *H. pylori*," accepted as *poster of distinction* at Digestive Diseases Week, May 2000, San Diego, CA.
37. Abstract titled "Long term effect of PPI therapy on the development of gastric atrophy in patients with Barrett's esophagus," accepted for *poster presentation* at Digestive Diseases Week, May 2000, San Diego, CA.
38. Abstract titled "Location of dysplasia and cancer in patients with Barrett's esophagus," accepted for *poster presentation* at Digestive Diseases Week, May 2000, San Diego, CA.
39. Abstract titled, "Methylene blue staining of the gastric cardia," accepted for *oral presentation* at the American College of Gastroenterology Annual Meeting, October 1999, Phoenix, AZ.
40. Abstract titled, "*H. pylori* eradication dramatically improves inflammation in the gastric cardia (Carditis)," accepted for *poster presentation* at Digestive Diseases Week, May 1999, Orlando, FL – abstract of distinction.

41. Abstract titled, "Relative risk of dysplasia for patients with intestinal metaplasia (IM) in the distal esophagus versus the gastric cardia," accepted for *poster presentation* at Digestive Diseases Week, May 1999, Orlando, FL – abstract of distinction.
42. Abstract titled, "Effect of endoscopic ablation of Barrett's esophagus (BE) on wall thickness as determined by high frequency ultrasound probe," accepted for *poster presentation* at Digestive Diseases Week, May 1999, Orlando, FL.
43. Abstract titled, "Prospective multivariate analysis of cardia intestinal metaplasia (CIM) in consecutive patients presenting for upper endoscopy," accepted for *poster presentation* at Digestive Diseases Week, May 1999, Orlando, FL.
44. Abstract titled, "Cardia Intestinal Metaplasia (CIM) – Relationship to *H. pylori*, Barrett's esophagus and erosive esophagitis," accepted for *poster presentation* at Digestive Diseases Week, May 1999, Orlando, FL.
45. Abstract titled, "Increasing incidence of adenocarcinoma of the esophagus and esophagogastric junction – is short segment Barrett's esophagus responsible?" accepted for *oral presentation* at the American College of Gastroenterology Annual Meeting, October 1998, Boston, MA.
46. Abstract titled, "Histologic characteristics of the squamocolumnar junction in patients with Barrett's esophagus." Accepted for *poster presentation* at the American College of Gastroenterology Annual Meeting, October 1998, Boston, MA.
47. Abstract titled "Squamous islands in Barrett's esophagus: what is underneath?"  
accepted for *poster presentation* at the International Society for Diseases of the Esophagus (ISDE) 7<sup>th</sup> World Congress, September 1998, Montreal, Canada.
48. Abstract titled, "Laser ablation of Barrett's adenocarcinoma: long term follow-up,"  
accepted for *oral presentation* at the International Society for Diseases of the Esophagus (ISDE) 7<sup>th</sup> World Congress, September 1998, Montreal, Canada.
49. Abstract titled, "Long term reversal of patients with Barrett's esophagus with multipolar electrocoagulation (MPEC) and high dose omeprazole," accepted for *oral presentation* at the American

Society for Gastrointestinal Endoscopy Young Investigator's  
Conference in Digestive Diseases, April 1998, Santa Monica, CA.

50. Abstract titled "Long term reversal of patients with Barrett's esophagus with multipolar electrocoagulation (MPEC) and high dose omeprazole," accepted for *poster presentation* at Digestive Diseases Week, May 1998. New Orleans, LA.
  51. Abstract titled, "Squamous islands in Barrett's esophagus: what is underneath?" accepted for *oral presentation* at the American College of Gastroenterology Annual Meeting, November 1997, Chicago, IL.
- 45
52. Abstract titled, "Increasing prevalence of short segment Barrett's esophagus (SSBE)," accepted for *poster presentation* at the American College of Gastroenterology Annual Meeting, November 1997, Chicago, IL.
  53. Abstract titled, "Laser ablation of Barrett's adenocarcinoma: long term follow-up," accepted for *oral presentation* at the American College of Gastroenterology Annual Meeting, November 1997, Chicago, IL.
  54. Abstract titled, "Long term follow-up of dysplasia in patients with short segment Barrett's esophagus," accepted for *poster presentation* at DDW, May 1997, Washington D.C.
  55. Abstract titled, "Prolonged esophageal pH control does not reverse Barrett's esophagus," accepted for *oral presentation* at the American College of Gastroenterology Annual Meeting, October 1996, Seattle, WA.
  56. Abstract titled, "A rare case of metastatic cholangiocarcinoma presenting as ovarian cancer," accepted for *poster presentation* at the American College of Gastroenterology Annual Meeting, October 1996, Seattle, WA.
  57. Abstract titled, "Long term follow-up of dysplasia in patients with short segment Barrett's esophagus," accepted for *oral presentation* at the ASGE Young Investigators' Conference in Digestive Diseases, April 1997, San Antonio, TX.
  58. Abstract titled, "A rare case of metastatic cholangiocarcinoma presenting as ovarian cancer," accepted for *poster*

*presentation* at the American College of Gastroenterology National Fellows Forum, April 1996, Scottsdale, AZ.

59. Abstract titled, "Prolonged esophageal pH control does not reverse Barrett's esophagus," accepted for presentation at the North American Conference of Gastroenterology Fellows, March 1997, Tampa, FL.

## **Invited Lectures**

1. Invited International guest Faculty, 29<sup>th</sup> International Course on Therapeutic Endoscopy, Toronto, Canada, October 2016.
2. Invited Speaker, "Ablation in Barrett's esophagus" during ACG Annual Meeting, Las Vegas, October 2016.
3. International Faculty for International Society for Diseases of Esophagus (ISDE) 15<sup>th</sup> World Congress, Singapore. September 2016.
4. Invited International guest Faculty, Pan American Digestive diseases week, Cartagena, Columbia, September 2016.
5. Invited International guest Faculty, Digestive Endoscopy Course, Chennai, India, September 2016.
6. Invited Speaker, "Barrett's Esophagus: Surveillance and Management?"  
ACG Midwest Regional Course, August 2016, Minneapolis, DC.
7. Invited International guest Faculty, 3<sup>rd</sup> Athens International Symposium on Gastrointestinal Cancers, July 2016, Athens, Greece.
8. Invited Speaker, "Barrett's Esophagus: Who Should We Survey & How?"  
ACG Midwest Regional Course, June 2016, Washington, DC.
9. Invited Speaker, "Biomarkers in Barrett's esophagus" during AGA Translational

- Symposium at Digestive Diseases Week (DDW), May 2016. San Diego, CA.
10. Moderator, "Barrett's esophagus" during AGA/ASGE Combined Clinical Symposium at Digestive Diseases Week (DDW), May 2016. San Diego, CA.
  11. State of the Art Lecture, "Improving Surveillance in Barrett's esophagus" during at Digestive Diseases Week (DDW), May 2016. San Diego, CA.
  12. Invited Speaker, "Ablation in Barrett's esophagus" during at Digestive Diseases Week (DDW), May 2016. San Diego, CA.
  13. Meet the Professor Session, "Barrett's esophagus: cut, freeze or burn" during at Digestive Diseases Week (DDW), May 2016. San Diego, CA.
  14. Invited International guest Faculty, Gastroenterology and Endoscopy Course, Pamplona, Spain, April 2016.
  15. Course Director. 'Expert Strategies in Endoscopy, Gastrointestinal and Liver Diseases'. March 2016. Kansas City, KS.
  16. Invited International guest Faculty, 18th International Live Endoscopy Course, Dusseldorf, Germany, February 2016.
  17. Invited International guest Faculty, International Asian NBI Group Course, Hyderabad, India, December 2015.
  18. Invited Speaker, "Barrett's Esophagus – State of Art Lecture." Updates in Gastroenterology Conference, December 2015, Kansas City, MO.
  19. Invited International guest Faculty, United European Gastroenterology Week (UEGW), October 2015, Barcelona, Spain  
Invited International guest faculty, Japanese Digestive Disease Week (JDDW), October 2015, Tokyo, Japan.
  13. Guest faculty, 'Endofest 2015', ASGE, September 2015, Chicago, IL.
  14. Invited Speaker, "Barrett's Esophagus: Who Should We Screen & How?" TSGE 40<sup>th</sup> Annual Texas Program. Texas Society for Gastroenterology and Endoscopy, September 2015, Fort Worth, TX.
  15. Course Director, ACG Midwest Regional Course, August 2015, Kansas City, MO.
  16. Visiting Professor and 2015 Cameron Lecturer in "Esophageal Diseases." Mayo Clinic Division of Gastroenterology and Hepatology, July 2015, Rochester, MN.
  17. Invited Speaker, "Barrett's Esophagus." ACG Eastern Regional Postgraduate Course, June 2015, Boston, MA.

18. Invited International guest Faculty, 6th International Live Endoscopy Course, Milan, Italy, June 2015.
19. Invited Speaker, "Issues during and after endotherapy" during AGA/ASGE Combined Clinical Symposium at Digestive Diseases Week (DDW), May 2015. Washington, DC.
20. State of the Art Lecture, "Management of Barrett's esophagus" during at Digestive Diseases Week (DDW), May 2015. Washington, DC.
21. Invited Speaker, "Imaging in Barrett's esophagus" during at Digestive Diseases Week (DDW), May 2015. Washington, DC.
22. Invited Speaker, "Barrett's Esophagus 2015." Frontiers Conference, University of Washington, April 2015, Seattle, WA.
23. Invited Speaker, "Endoscopic Prevention of Esophageal Cancer." Pacific Northwest GI Society, April 2015, Seattle, WA.
24. Course Director. 'Expert Strategies in Endoscopy, Gastrointestinal and Liver Diseases'. March 2015. Kansas City, KS.
25. Visiting Professor, Indiana University, January 2015, Indianapolis, IN.
26. Invited Speaker, "Local therapy for early esophageal cancer," 2015 American Society for Clinical Oncology (ASCO) Gastrointestinal Cancers Symposium, January 2015, San Francisco, CA.
27. Guest faculty, 55<sup>th</sup> Annual Conference of Indian Society of Gastroenterology (ISGCON-2014), December 2014, Mumbai, India.
28. Invited International guest Faculty, Asian Pacific Digestive Week, Bali, Indonesia, November 2014.
29. Invited Speaker, "Management of Esophageal Nodules in the setting of Portal Hypertension." ASGE/AASLD Postgraduate Course, November 2014. Boston, MA.
30. Invited Speaker, "The Post-Ablation Esophagus: What Lies Beneath." ACG Postgraduate Course, October 2014. Philadelphia, PA.
31. Guest Speaker at "PanAmerican Meeting Gastro2014" organized by the PanAmerican Congress. October 2014. Buenos Aires, Argentina.
32. Invited Faculty, ASGE Endofest. September 2014. Las Vegas, NV.
33. International Faculty for International Society for Diseases of Esophagus (ISDE) 14<sup>th</sup> World Congress. September 2014. Vancouver, Canada.
34. Guest Speaker at "ECOS Internacionales 2014" organized by the Mexican Association of Gastroenterology. August 2014. Mexico City, Mexico.

36. Invited Speaker, "Barrett's Esophagus—Evidence Based Management." St. Luke's CME Program. July 2014. Kansas City, MO.
37. International Guest Faculty. 2<sup>nd</sup> International Cancer Symposium, July 2014. Athens, Greece.
38. Invited International guest Faculty, 3<sup>rd</sup> Live GI International Endoscopy Workshop, Rome, Italy, May 2014.
39. Course Director. ASGE Post Graduate Course at Digestive Diseases Week (DDW), May 2014. Chicago, IL.
40. Invited Speaker, "Quality in Endoscopy" during AGA Post Graduate Course at Digestive Diseases Week (DDW), May 2014. Chicago, IL.
41. Invited Speaker. "Shedding Light on Barrett's Esophagus", during Digestive Diseases Week (DDW), May 2014. Chicago, IL.
42. Faculty for Chicago Live Endoscopy Course, April 2014, Chicago, IL.
43. Guest Speaker, "Update in Gastroenterology and Hepatology," American College of Physicians (ACP) Internal Medicine 2014, April 2014, Orlando, FL.
44. Invited International guest Faculty, Spanish Society for Gastroenterology Annual Meeting, March 2014. Madrid, Spain.
45. Course Director. 'Expert Strategies in Endoscopy, Gastrointestinal and Liver Diseases'. February 2014. Kansas City, KS.
46. Invited International guest Faculty, 15<sup>th</sup> Live GI International Endoscopy Workshop, Hyderabad, India, February 2014.
47. Invited Speaker, "Barrett's Esophagus and Intramucosal Cancer: Dye, Abolate or Resect." ACG and ASGE Best Practices Course. Las Vegas, NV. January 2014.
48. Invited Speaker, "Achalasia: Dilate, Botox, Knife or POEM." ACG and ASGE Best Practices Course. Las Vegas, NV. January 2014.
49. Faculty. "Ablation Therapy for Barrett's Esophagus." AGA Clinical Congress. Miami, Florida. January 2014.
50. Invited Faculty. New York Society for Gastrointestinal Endoscopy (NYSGE) Annual Live Course. New York, December 2013.
51. Invited International guest Faculty, International Endoscopy Course, Vienna, Austria, November 2013.
52. Invited Lecture, "When PPI's Fail: Treatment Approaches for GERD." 38<sup>th</sup> Annual Texas Program, Sept 2013, Houston, TX.
53. Guest Speaker, "Management of Barrett's Esophagus: Burn, Resect, Cut or Do Nothing?." 38<sup>th</sup> Annual Texas Program, Sept 2013, Houston, TX.

54. Invited Speaker, "Advances in endoscopic imaging (NBI, confocal, optical coherence tomography)". St. Lukes CME Event. September 2013. Kansas City, MO
55. Invited International guest Faculty, World Gastroenterology Conference, Shanghai, China, September 2013.
56. Course Director: ACG Midwest Regional Postgraduate Course. St. Louis, MO August 2013
57. Course Director: AGA Freston Conference on Barrett's Esophagus. Chicago, IL. August 2013.
58. Course Director: ACG Regional Post Graduate Course. St. Louis, MO. August 2013.
59. Invited Faculty. 'Management of Barrett's esophagus'. ACG Regional Post Graduate Course. St. Louis, MO. August 2013

53

60. Invited International Guest Faculty, "Esophageal and GEJ cancers," ESMO Conference: 14<sup>th</sup> World Congress on Gastrointestinal Cancer, July 2013, Barcelona, Spain.
61. Invited International guest Faculty, 4th International Live Endoscopy Course, Milan, Italy, June 2013.
62. Invited Speaker, "Cancer Risk in Barrett's Esophagus." During Symposium on GERD, Digestive Disease Week, May 2013, Orlando, FL.
63. Moderator for Combined Clinical Symposium, "Controversies in Barrett's esophagus." Digestive Disease Week, May 2013, Orlando, FL.
64. Moderator, "Esophageal, Gastric & Duodenal Disorder Section Distinguished Abstract Plenary." Digestive Disease Week, May 2013, Orlando, FL.
65. Invited Speaker, "Imaging in Barrett's Esophagus." Digestive Disease Week, May 2013, Orlando, FL.
66. J Edward Beck Oration Lecture during Presidential Plenary Session, "Barrett's Esophagus: Survey, Ablate, Ignore" Digestive Disease Week, May 2013, Orlando, FL.
67. Invited Speaker, "Patient Selection and Risk in Barrett's esophagus." Digestive Disease Week, May 2013, Orlando, FL.
68. Moderator, "AGA/ASGE combined Abstract Plenary." Digestive Disease Week, May 2013, Orlando, FL.
69. Invited speaker at ASGE Post Graduate Course, "Surveillance and Imaging in Barrett's esophagus." Digestive Disease Week, May 2013, Orlando, FL.
70. Invited International guest Faculty, Annual Meeting of the

- Society for Japanese Gastrointestinal Endoscopy Society, Kyoto, Japan, May 2013.
71. BJ Vakil Oration Lecture at Annual Meeting of the Society for Gastrointestinal Endoscopy of India, New Delhi, India, March 2013.
  72. Invited International guest Faculty, Endocon 2013, Annual Meeting of the Society for Gastrointestinal Endoscopy of India, New Delhi, India, March 2013.
  73. Invited International guest Faculty, 15th International Live Endoscopy Course, Dusseldorf, Germany, February 2013.
  74. Workshop Faculty, ASGE/AGA Hands-On Course, Clinical Congress, San Diego, CA, January 2013.
  75. Invited Speaker, 'New Barrett's Imaging Techniques', ASGE/AGA Clinical Congress, San Diego, CA, January 2013.
  76. Invited International guest Faculty, Asian Pacific Digestive Week, Bangkok, Thailand, December 2012.
  77. Invited International guest Faculty, Congreso Panamericano de Gastroenterología, Panama City, Panama, November 2012.
  78. Invited faculty. "Is ESD the Holy Grail for Barrett's Dysplasia?", ASGE Endofest September 2012, Washington DC.
  79. Guest faculty. Symposium on 'Treatment of Barrett's esophagus' during American College of Gastroenterology (ACG) Annual Meeting, October 2012, Las Vegas, NV.
  80. Invited International guest Faculty, 3<sup>rd</sup> International Live Endoscopy Course, Milan, Italy, June 2012.
  81. Invited Speaker, "Management of Barrett's Esophagus." During Symposium on GERD, Digestive Disease Week, May, 2012, San Diego, CA.

54

82. Moderator for Combined Clinical Symposium, "Can We Eliminate Barrett's esophagus." Digestive Disease Week, May, 2012, San Diego, CA.
83. Guest Host, "Esophageal, Gastric & Duodenal Disorder Section Distinguished Abstract Plenary." Digestive Disease Week, May, 2012, San Diego, CA.
84. Meet the Professor Session, "Approach to Neoplasia in Barrett's Esophagus." Digestive Disease Week, May, 2012, San Diego, CA.
85. Invited Presentation, "Epidemiology of Junction Cancers" Digestive Disease Week, May, 2012, San Diego, CA.
86. Invited Host, "Patient Selection and Risk in Barrett's esophagus." Digestive Disease Week, May, 2012, San Diego, CA.

87. Invited speaker at AGA Post Graduate Course, "Detection and Prevention of dysplasia in Barrett's ." Digestive Disease Week, May, 2012, San Diego, CA.
88. Invited speaker at ASGE Post Graduate Course, "Imaging for the Gastroenterologist." Digestive Disease Week, May, 2012, San Diego, CA.
89. Guest Speaker, "Update in Gastroenterology and Hepatology," American College of Physicians (ACP) Internal Medicine 2012, April 2012, New Orleans, LA.
90. Guest speaker, lecture on "Imaging in the GI tract". Milwaukee Gut Club, April 2012, Milwaukee, WI.
91. Visiting Professor, Division of Gastroenterology & Hepatology, Medical College of Wisconsin, April 2012, Milwaukee, WI.
92. Invited International guest Faculty, 8th International Course of Advances in Gastroenterology and Digestive Endoscopy, La Paz, Bolivia, March 2012.
93. Invited Speaker, lecture on "Barrett's Esophagus: Screening and Surveillance" during the AGA Clinical Congress. January 2012, Miami, FL.
94. Course Director, ACG Board of Governors/ASGE Best Practices Course, January 2012, Huntington Beach, CA.
95. Guest speaker, lecture on "Barrett's Esophagus: Ablate, Freeze or Resect". ACG Board of Governors/ASGE Best Practices Course, January 2012, Huntington Beach, CA.
96. Invited International guest Faculty, 20th International Live Endoscopy Course, Hong Kong, December 2011.
97. Invited international speaker on "Management Algorithm for Barrett's high grade dysplasia," United European Gastroenterology Week, October 2011, Stockholm, Sweden.
98. Invited international speaker on "Epidemiology of Barrett's esophagus," United European Gastroenterology Week, October 2011, Stockholm, Sweden.
99. Invited state of the art speaker. Lecture on "Endoscopic Diagnosis and Imaging GERD". International Course of Diagnostic and Therapeutic Endoscopy, October 2011, Lima, Peru.
100. Lecture on "Novel Imaging in Barrett's Esophagus". International Course of Diagnostic and Therapeutic Endoscopy, October 2011, Lima, Peru.
101. Lecture on "Endoscopy Resection and Treatment of Esophageal Cancer". International Course of Diagnostic and Therapeutic Endoscopy, October 2011, Lima, Peru.
102. Lecture on "PPI Failures: What to do?" International Course of Diagnostic and

Therapeutic Endoscopy, October 2011, Lima, Peru.

55

103. Invited faculty, ASGE Endofest, September 2011. La Jolla, CA.
104. Invited International guest Faculty, 2<sup>nd</sup> International Live Endoscopy Course, Milan, Italy, June 2011.
105. Invited Speaker, "Advance your Leadership Skills: How to Rise to a Position of Leadership in Gastroenterology or Hepatology." Digestive Disease Week, May, 2011, Chicago, Illinois.
106. Invited Speaker, "Multi-disciplinary Approach to Barrett's Esophagus." Digestive Disease Week, May, 2011, Chicago, Illinois.
107. Invited Speaker, "State of the Art Lecture: Real Time Histology: What will it take to be clinically Relevant? The Barrett's PIVI." Digestive Disease Week, May, 2011, Chicago, Illinois.
108. Moderator, "Management Options in Barrett's Esophagus." Digestive Disease Week, May, 2011, Chicago, Illinois.
109. Invited Author, "Barrett's Esophagus: What is New in Management." Digestive Disease Week, May, 2011, Chicago, Illinois.
110. Guest Host, "Esophageal, Gastric & Duodenal Disorder Section Distinguished Abstract Plenary." Digestive Disease Week, May, 2011, Chicago, Illinois.
111. Invited Speaker, "Barrett's Esophagus: Endoluminal Therapies." Digestive Disease Week, May, 2011, Chicago, Illinois.
112. Invited Presentation, "PPI's in Relation to Barrett's: Preventative? Post-Ablation? Reduced Cancer Risk?" Digestive Disease Week, May, 2011, Chicago, Illinois.
113. Invited Host, "Burying Barrett's Esophagus: Solutions and Situations." Digestive Disease Week, May, 2011, Chicago, Illinois.
114. Guest Speaker, "Barrett's Esophagus." Digestive Disease Week, May, 2011, Chicago, Illinois.
115. Invited speaker at AGA Post Graduate Course, "Barrett's Screening and Surveillance." Digestive Disease Week, May, 2011, Chicago, Illinois.
116. Invited Speaker, "Multi-Disciplinary Approach to Barrett's Esophagus." Digestive Disease Week, May, 2011, Chicago, Illinois.
117. Invited speaker at ASGE Post Graduate Course, "Barrett's Esophagus, General – Cancer Screening and Management." Digestive Disease Week, May, 2011, Chicago, Illinois.
118. Invited Speaker on "Barrett's Esophagus" at the University of

Missouri- Kansas City School of Pharmacy-Pharmacology, April 2011, Kansas City, MO.

119. Guest faculty, "Why Screen for Barrett's Esophagus- Facts and Faux", Caribbean Digestive Disease Week, March 2011, Puerto Rico.
120. Guest faculty, "Controversies in Management on Barrett's Esophagus – Cut, Ablate or Wait", Caribbean Digestive Disease Week, March 2011, Puerto Rico.
121. Course Director, American Gastroenterological Association (AGA) Clinical Congress of Gastroenterology and Pathology, January 2011, Miami, FL.
122. Invited Speaker, "Approach to dysplasia in Barrett's esophagus". American Gastroenterological Association (AGA) Clinical Congress of Gastroenterology and Pathology, January 2011, Miami, FL.
123. Invited Speaker, "Controversies in Barrett's Management", American Gastroenterological Association (AGA) 2011 Post Graduate Course, January 2011, Las Vegas, NV

56

124. Visiting Professor Medical College of Virginia, "Alvin Zfass Lecture", January 2011, Richmond, VA
125. Guest faculty, "Role of endoscopy in diagnosis and treatment of early esophageal cancer," 51<sup>st</sup> Annual Conference of Indian Society of Gastroenterology (ISGCON-2010), November 2010, Hyderabad, India.
126. Invited international speaker on "Oesophagus and Upper GI Diseases," United European Gastroenterology Week, October 2010, Barcelona, Spain.
127. Invited International Guest Faculty, "Endoscopic treatment of Barrett's esophagus," Asian Pacific Digestive Diseases Week, September 2010, Kuala Lumpur, Malaysia.
128. Invited International Guest Faculty, "Has the cancer risk been over-estimated in Barrett's esophagus," Asian Pacific Digestive Diseases Week, September 2010, Kuala Lumpur, Malaysia.
129. Invited International Guest Faculty, "Treatment of Barrett's esophagus," ESMO Conference: 12<sup>th</sup> World Congress on Gastrointestinal Cancer, July 2010, Barcelona, Spain.
130. Invited International Guest Faculty, International Management Advanced Gastroenterology & Endoscopy Congress, June 2010, Milan, Italy.
131. Moderator, Digestive Disease Week (DDW) 2010 Highlights, University of Kansas School of Medicine Continuing Education, June 2010, Leawood, KS.

132. Invited Faculty, "Complicated gastroesophageal reflux disease is best managed by the surgeon: cons," The Heart, Lung and Esophageal Surgery Institute, University of Pittsburgh Medical Center, May 2010, Pittsburgh, PA.
133. Guest Speaker, "Update in Gastroenterology and Hepatology," American College of Physicians (ACP) Internal Medicine 2010, April 2010, Toronto, Canada.
134. Invited Speaker, "Can we prevent esophageal cancer by early endoscopic intervention," 2010 American Society for Clinical Oncology (ASCO) Gastrointestinal Cancers Symposium, January 2010, Orlando, FL.
135. Course Co-Director, American Gastroenterological Association (AGA) Clinical Congress of Gastroenterology and Pathology, January 2010, Las Vegas, NV.
136. Invited Speaker, "New directions in endoscopic therapy of Barrett's esophagus,"  
American Gastroenterological Association (AGA)  
Clinical Congress of Gastroenterology and  
Pathology, January 2010, Las Vegas, NV.
137. Invited Speaker, "Narrow band imaging for GERD and Barrett's esophagus: do we really need it?, Johns Hopkins 35<sup>th</sup> Annual Topics in Gastroenterology and Hepato-Biliary Update Conference, November 2009, Baltimore, MD.
138. Session Chair, "Barrett's oesophagus: a global perspective," UEGF (United European Gastroenterology Federation) and WCOG (World Gastroenterology Organization) GASTRO 2009, November 2009, London, England.
139. Invited Speaker, "Oesophagogastroduodenoscopy," UEGF (United European Gastroenterology Federation) and WCOG (World Gastroenterology Organization) GASTRO 2009, November 2009, London, England.
140. Moderator, "New endoscopic imaging modalities: What do they add?" UEGF (United European Gastroenterology Federation) and WCOG (World Gastroenterology Organization) GASTRO 2009, November 2009, London, England.

57

141. Invited Speaker, "NBI and Barrett's oesophagus," UEGF (United European Gastroenterology Federation) and WCOG (World Gastroenterology Organization) GASTRO 2009, November 2009, London, England.
142. Session Chair, "GORD: Challenges and opportunities," UEGF (United European Gastroenterology Federation) and WCOG

(World Gastroenterology Organization) GASTRO 2009, November 2009, London, England.

143. Guest Faculty, Japan Digestive Disease Week 2009, October 2009, Kyoto, Japan.
144. Guest Faculty, Twenty-Second International Course on Therapeutic Endoscopy, September 2009, Toronto, Canada.
145. Invited Speaker, "Barrett's esophagus – manage it better: Practical tips from an expert," American College of Gastroenterology (ACG) 2009 Regional Postgraduate Course, September 2009, Williamsburg, VA.
146. Invited Faculty, "Barrett's surveillance, chemoprevention and treatment," 8<sup>th</sup> Annual Symposium on Gastrointestinal Cancers, September 2009, St. Louis, MO.
147. Invited Speaker, "Detection and staging of esophageal columnar metaplasia," 6<sup>th</sup> International Conference of Gastroenterology, July 2009, Shanghai, China.
  
148. Visiting Professor, Division of Gastroenterology & Hepatology, University of Washington, June 2009, Seattle, WA.
149. Invited Speaker, "State of the Art: Barrett's," Best of DDW 2009, June 2009, Seattle, WA.
150. Invited Speaker, "Patient with Barrett's esophagus and dysplasia: Impact of histologic diagnosis on patient management," American Gastroenterological Association (AGA) clinical symposium during Digestive Diseases Week (DDW), June 2009, Chicago, IL.
151. Invited Speaker, "Doing better than random biopsies: Real-time imaging of Barrett's esophagus," American Gastroenterological Association (AGA) postgraduate course during Digestive Diseases Week (DDW), June 2009, Chicago, IL.
152. Invited Speaker, "47 year old patient with dysplasia in Barrett's esophagus," American Gastroenterological Association (AGA) problem-based learning luncheon during Digestive Diseases Week (DDW), June 2009, Chicago, IL.
153. Invited Speaker, "Endoscopic detection of Barrett's esophagus," American Gastroenterological Association (AGA) translational symposium during Digestive Diseases Week (DDW), June 2009, Chicago, IL.
154. Invited Speaker, "Endoscopic thermal ablation: What technique and which patient?" American Society for Gastrointestinal Endoscopy (ASGE) clinical symposium during Digestive Diseases Week (DDW), June 2009, Chicago, IL.
155. Meet-the-Professor, "Endoscopic ablation of Barrett's esophagus," American Society for Gastrointestinal Endoscopy (ASGE), during Digestive Diseases Week (DDW), June 2009,

Chicago, IL.

156. Invited Speaker, "Imaging and histology in the PPI non-responsive patient: can narrow band Imaging or intercellular spaces guide therapy?," American Gastroenterological Association (AGA) clinical symposium during Digestive Diseases Week (DDW), June 2009, Chicago, IL.
157. Visiting Professor and Guest Speaker, Asociacion Puertorriquena de Gastroenterologia, May 2009, San Juan, Puerto Rico.

58

158. Moderator, "Workshop on endoscopic imaging," University of Kansas School of Medicine, April 2009, Atlanta, GA.
159. Guest Speaker, American College of Physicians (ACP) Annual Scientific Meeting, April 2009, Philadelphia, PA
160. Guest Speaker, "Ablation of Barrett's: How I do it," Colonoscopy and Endoscopy Technology Workshop, April 2009, Indianapolis, IN.
161. Guest Speaker, Walter Reed Gastroenterology Symposium, March 2009, McLean, VA.
162. Invited Faculty, American College of Gastroenterology (ACG) 2009 Regional Post Graduate Course, March 2009, Las Vegas, NV.
163. Invited Faculty, Live Endoscopy Workshop: Interventional Endoscopy Symposium, February 2009, Dusseldorf, Germany.
164. Visiting Professor and Grand Rounds, Vanderbilt University, February 2009, Nashville, TN.
165. Course Faculty, 6<sup>th</sup> Annual Rocky Mountain Interventional Endoscopy Course, February 2009, Denver, CO.
166. Invited Speaker, "Narrow band imaging, chromoendoscopy and magnification endoscopy: the blue light special or rose-colored glasses," American Gastroenterological Association (AGA) Clinical Congress of Gastroenterology and Hepatology, January 2009, Las Vegas, NV.
167. Invited Faculty, 2009 Gastrointestinal Cancers Symposium, Science and multidisciplinary management of GI malignancies, January 2009, San Francisco, CA.
168. Course Faculty, 32<sup>nd</sup> Annual New York Course: Gastrointestinal Endoscopy – Breaking New Ground, New York Society for Gastrointestinal Endoscopy and Albert Einstein College of Medicine, December 2008, New York, NY.
169. Visiting Professor and Grand Rounds, SUNY Downstate Medical Center, December 2008, Brooklyn, NY.
170. Invited Faculty and Guest Speaker, Pan American Gastroenterology Meeting, November 2008, Santiago, Chile.

171. Invited Speaker, "Screening and surveillance: Is it worth it? In whom and how?"

United European Gastroenterology Week (UEGW), October 2008, Vienna, Austria. 172. Invited Speaker, "Image-enhanced colonoscopy: What's new in lower GI imaging for polyps, dysplasia, cancer, and IBD," American Society for Gastrointestinal

Endoscopy (ASGE) Postgraduate Course, October 2008, Orlando, FL. 173. Invited Speaker, "Who to treat: Is all Barrett's bad?" American Society for

Gastrointestinal Endoscopy (ASGE) Postgraduate Course, October 2008, Orlando, FL.

174. Moderator, "Evolving endoscopic techniques," American College of Gastroenterology (ACG) Annual Postgraduate Course, October 2008, Orlando, FL.

175. Invited Speaker, "Management of Barrett's esophagus: Screening, surveillance and ablation," learning luncheon during American College of Gastroenterology (ACG) Annual Postgraduate Course, October 2008, Orlando, FL.

176. Invited Speaker, "Endoscopic ablation: Thermal, light or cut? A review of the evidence," American College of Gastroenterology (ACG) Annual Postgraduate Course, October 2008, Orlando, FL.

59

177. Invited Speaker, "Imaging Barrett's and neoplasia," Asia Pacific Digestive Diseases Week 2008, September 2008, New Delhi, India.

178. Invited Faculty and Guest Speaker, International Society for Diseases of the Esophagus, September 2008, Budapest, Hungary.

179. Invited Faculty and Guest Speaker, GUT 2008, Malaysian Gastroenterology Annual Meeting, August 2008, Kuala Lumpur, Malaysia.

180. Course Co-Director, "Expert strategies for the treatment of upper gastrointestinal disorders," July 2008, San Francisco, CA.

181. Invited Speaker, "Endoscopic and surgical management of GERD," American College of Gastroenterology (ACG) 2008 Regional Postgraduate Course, June 2008, Chicago, IL.

182. Moderator, Digestive Disease Week (DDW) 2008 Highlights, University of Kansas School of Medicine Continuing Education, June 2008, Leawood, KS.

183. Co-moderator, Scientific Program Session during American College of Physicians (ACP) Annual Meeting, May 2008, Washington, DC.

184. Course Director, American Gastroenterological Association (AGA) Spring Postgraduate Course, during Digestive Diseases Week (DDW), May 2008, San Diego, CA.

185. Moderator, "Moving down the esophagus," American Gastroenterological Association (AGA) Postgraduate Course, during Digestive Diseases Week (DDW), May 2008, San Diego, CA.
186. Invited Speaker, "Enhanced imaging for Barrett's dysplasia: the emerging endo-cytoscopist," American Gastroenterological Association (AGA) symposium, during Digestive Diseases Week (DDW), May 2008, San Diego, CA.
187. Meet the Professor, "Correlating histology with enhanced endoscopic imaging," during Digestive Diseases Week (DDW), May 2008, San Diego, CA.
188. Moderator, "Emerging therapies for GI and liver diseases," American Gastroenterological Association (AGA), during Digestive Diseases Week (DDW), May 2008, San Diego, CA.
189. State-of-the-art lecture, "Enhanced imaging: see the future," American Society for Gastrointestinal Endoscopy (ASGE), during Digestive Diseases Week (DDW), May 2008, San Diego, CA.
190. Invited Speaker, "36 year old patient with heartburn and not responding to high dose PPI therapy," American Gastroenterological Association (AGA), during Digestive Diseases Week (DDW), May 2008, San Diego, CA.
191. Invited Speaker, "Advanced Imaging," American Society for Gastrointestinal Endoscopy (ASGE), during Digestive Diseases Week (DDW), May 2008, San Diego, CA.
192. Invited Speaker, "High resolution, fluorescence and contrast enhanced endoscopy (NBI-AFI, FICE, EPKi Systems)," American Society for Gastrointestinal Endoscopy (ASGE), during Digestive Diseases Week (DDW), May 2008, San Diego, CA.
193. Session Chair, "Endoscopic ablation therapy for Barrett's esophagus at American Society for Gastrointestinal Endoscopy (ASGE) clinical symposium during Digestive Diseases Week (DDW), May 2008, San Diego, CA.

60

194. Invited Speaker, "Challenging cases: What would the experts do?," American Society for Gastrointestinal Endoscopy (ASGE), during Digestive Diseases Week (DDW), May 2008, San Diego, CA.
195. Invited Faculty, "Workshop on Asian Barrett's consortium," National Cancer Institute (NCI), May 2008, Bethesda, MD.
196. Visiting Professor and Grand Rounds, University of Texas, April 2008, San Antonio, TX.
197. Visiting Professor and Grand Rounds, Brooks Army Medical Center, April 2008, San Antonio, TX.

198. Invited Speaker, "Endoscopic treatment of esophageal lesions," American College of Gastroenterology and Florida Society of Gastroenterology Meeting, April 2008, Key West, FL.
199. Visiting Professor and Grand Rounds, University of Pittsburgh, March 2008, Pittsburgh, PA.
200. Invited Speaker, "Barrett's esophagus, diagnosis, imaging and treatment," Pittsburgh GUT Club, March 2008, Pittsburgh, PA.
201. Invited Faculty, ASGE Imaging Conference, March 2008, Dallas, TX.
202. Invited Faculty, Live Westmead Endoscopy Workshop: Interventional Endoscopy Symposium, February 2009, Sydney, Australia.
203. Moderator, "Cancers of the esophagus and stomach – prevention, screening, and diagnosis," American Society of Clinical Oncology (ASCO) 2008 Gastrointestinal Cancers Symposium, January 2008, Orlando, FL.
204. Invited faculty at the National Institute of Health (NIH)/National Cancer Institute (NCI), Program Workshop entitled "*Barrett's esophagus translational research*," January 2008, Gaithersburg, MD.
205. Invited Faculty, University of South Florida, Diagnosis and therapy of esophageal and gastric disorders, Ninth Annual Update for Clinicians, December 2007, Orlando, FL.
206. Invited Faculty, Live Endoscopy Workshop: Endo Club Nord, December 2007, Hamburg, Germany.
207. Moderator, "Workshop on endoscopic imaging," University of Kansas School of Medicine, November 2007, Kansas City, MO.
208. Invited Speaker, "You make the call – Barrett's esophagus," American College of Gastroenterology Postgraduate Course, October 2007, Philadelphia, PA.
209. Invited Speaker, "Barrett's esophagus: New methods of detection and surveillance," American College of Gastroenterology Postgraduate Course, October 2007, Philadelphia, PA.
210. Course Co-Director, "Expert strategies for the treatment of upper gastrointestinal disorders: focus on new technologies," August 2007, Washington, DC.
211. Visiting Professor and Grand Rounds, Mayo Medical School, July 2007, Rochester, MN.
212. Visiting Professor and Grand Rounds, Duke University, July 2007, Durham, NC.
213. Moderator, Digestive Disease Week (DDW) 2007 Review, University of Kansas School of Medicine Continuing Education, June 2007, Leawood, KS.

214. Visiting Professor, Brigham and Women's Hospital and Harvard Medical School,  
"Endoscopic diagnosis and management of Barrett's esophagus,"  
June 2007,  
Boston, MA.
215. Moderator, "New techniques and tools," American Gastroenterology Association (AGA) clinical symposium during Digestive Diseases Week (DDW), May 2007, Washington, DC.
216. Moderator, "Atypical chest pain and dysphagia," Clinical challenge during American Gastroenterology Association (AGA) Post Graduate Course, Digestive Diseases Week (DDW), May 2007, Washington, DC.
217. Guest Speaker, "Barrett's: New clinical insights – Improving the endoscopic diagnosis and recognition of Barrett's esophagus," during Digestive Diseases Week (DDW), May 2007, Washington, DC.
218. State-of-the-art lecture, "Early esophageal cancer: is endoscopic therapy the answer," during Digestive Diseases Week (DDW), May 2007, Washington, DC.
219. Invited Speaker, "EGJ cancers, combined – Endoscopic therapy: Expanding role," during Digestive Diseases Week (DDW), May 2007, Washington, DC.
220. Moderator, "Approach to a patient with dysplasia in BE," during Digestive Diseases Week (DDW), May 2007, Washington, DC.
221. Invited Speaker, "Chromoendoscopy, NBI," at American Society for Gastrointestinal Endoscopy (ASGE) post graduate course during Digestive Diseases Week (DDW), May 2007, Washington, DC.
222. Guest Speaker, "Update on Barrett's esophagus," Certifying Board of Gastroenterology Nurses and Associates (CBHNA) Teleconference, April 2007.
223. Co-chair, Young Investigators Meeting, American Society for Gastrointestinal Endoscopy (ASGE), April 2007, San Diego, CA.
224. Guest Faculty, "Review of consensus guidelines for Barrett's esophagus," Advancing an Evidence-Based Approach to Barrett's Esophagus: A Health Outcomes Research Workshop, April 2007, Boston, MA
225. Co-moderator, "Update in Gastroenterology," Scientific Program Session during American College of Physicians (ACP) Annual Meeting, April 2007, San Diego, CA.
226. Guest Speaker, "Endoscopic diagnosis and treatment of Barrett's esophagus," New York Gastroenterology Association (NYGA), March 2007, New York, NY.
227. Visiting Professor and Grand Rounds, Mt. Sinai

School of Medicine, March 2007,  
New York, NY.

228. Rodger C. Haggitt memorial lecture, "New developments in the endoscopic diagnosis and management of Barrett's esophagus," United States and Canadian Association of Pathologists (USCAP) and Gastrointestinal Pathology Society meeting, March 2007, San Diego, CA.
229. Visiting International Faculty, European Association of Gastroenterology & Endoscopy (EAGE) post graduate course, January 2007, Milan, Italy.
230. Invited Speaker, "Chemoprevention of Esophageal Cancer in the Background of Barrett's esophagus", Gastrointestinal Cancers Symposium: Multidisciplinary approaches to the prevention, diagnosis and therapy of GI cancers, January 2007, Orlando, FL.

62

231. Visiting International Faculty, Indian Society of Gastroenterology Annual Meeting, November 2006, Mumbai, India.
232. Invited Speaker, "Endoscopic Therapy for GERD," American College of Gastroenterology Postgraduate Course, October 2006, Las Vegas, NV.
233. Visiting International Faculty, United European Gastroenterology Week, October 2006, Berlin, Germany.
234. Invited Speaker, "Endoscopic Recognition of the GE Junction," during the  
Nineteenth International Course on Therapeutic Endoscopy, October 2006, Toronto, Canada.
235. Visiting Professor, University of California Irvine, September 2006, Orange County, CA.
236. Guest Speaker, "Endoscopic diagnosis and treatment of Barrett's esophagus," during Orange County Gut Club, September 2006, Orange County, CA.
237. Invited Speaker, "Endoscopic diagnosis and treatment of Barrett's esophagus,"  
Balboa Naval Medical Center, September 2006, San Diego, CA.
238. Visiting International Faculty, 12th National Gastroenterology Congress, August 2006, Montevideo, Uruguay.
239. Invited Speaker during NCI, DCTD Cancer Imaging Program Workshop entitled  
*"Imaging science development for cancer prevention and preemption,"* July 2006,  
Gaithersburg, MD.
240. Moderator, Digestive Disease Week (DDW) 2006 Review, University of Kansas School of Medicine Continuing Education, June 2006, Leawood, KS.

241. Visiting International Faculty, Gastroenterology and Endotherapy: XIV th European Workshop, June 2006, Brussels, Belgium.
242. Guest Speaker, "Endoscopic classification of Barrett's esophagus," during Amsterdam Gut Club, Amsterdam Medical Center, Amsterdam, The Netherlands, May 2006.
243. Invited Speaker, "Current status of approach to Barrett's and dysplasia" for the International Digestive Cancer Alliance (IDCA) meeting, May 2006, Los Angeles, CA.
244. Speaker, "Endoscopic classification systems for Barrett's esophagus," American Gastroenterology Association (AGA) clinical symposium, during Digestive Diseases Week (DDW), May 2006, Los Angeles, CA.
245. Moderator, "Barrett's esophagus: Biomarkers and histology," American Gastroenterology Association (AGA) research forum, during Digestive Diseases Week (DDW), May 2006, Los Angeles, CA.
246. Moderator, "Advanced endoscopic imaging and therapeutics," American Gastroenterology Association (AGA) research forum, during Digestive Diseases Week (DDW), May 2006, Los Angeles, CA.
247. Guest Speaker, "Enhanced endoscopic imaging," American Gastroenterological Association (AGA) focused clinical updates during Digestive Diseases Week (DDW), May 2006, Los Angeles, CA.
248. Meet-the-Professor, session on "Barrett's esophagus," Digestive Diseases Week (DDW), May 2006, Los Angeles, CA.

63

249. State-of-the-art lecture, "Endoscopic treatment for Barrett's esophagus," American Society for Gastrointestinal Endoscopy (ASGE) clinical symposium, during Digestive Diseases Week (DDW), May 2006, Los Angeles, CA.
250. Speaker, "Approach to a patient with dysplasia in Barrett's esophagus," American Gastroenterological Association (AGA) Problem-Based Learning Luncheon, during Digestive Diseases Week (DDW), May 2006, Los Angeles, CA.
251. Guest Speaker, "Enhancing the mucosa: chromoendoscopy, NBI and high resolution endoscopy," American Society for

Gastrointestinal Endoscopy (ASGE) Post Graduate Course, during Digestive Diseases Week (DDW), May 2006, Los Angeles, CA.

252. Co-moderator, "Update in gastroenterology/hepatology," Scientific Program

Session during American College of Physicians (ACP) Annual Meeting, April 2006, Philadelphia, PA.

253. Visiting Professor and Medicine Grand Rounds, Indiana University, March 2006, Indianapolis, IN.

254. Invited Speaker, "Options for endoscopic/histological improvements in the diagnosis of non erosive reflux disease," during International Society for Diseases of the Esophagus (ISDE) Meeting, February 2006, Adelaide, Australia.

255. Invited Chairperson for symposium entitled, "The genetics of Barrett's esophagus and esophageal mucosal damage" during International Society for Diseases of the Esophagus (ISDE) Meeting, February 2006, Adelaide, Australia.

256. Lecture on "Barrett's Esophagus – The future of surveillance (new methodology),"

American Gastroenterological Association Clinical Congress, December 2005, Hollywood, FL.

257. Course Director, American College of Gastroenterology, Annual Post Graduate Course, October 2005, Honolulu, HI.

258. Visiting Professor and Medicine Grand Rounds, University of Nebraska, October 2005, Omaha, NE.

259. Invited speaker, "Update on the diagnosis and management of Barrett's esophagus" at Nebraska Gut Club, October 2005, Omaha, NE.

260. Speaker, "Endoscopic Imaging for Barrett's Esophagus," at 4<sup>th</sup> Annual Symposium on Gastrointestinal Cancers: Integrating Recent Advances into Clinical Practice, October 2005, St Louis, MO.

261. Chairman, session on "Endoscopic Grading of Barrett's Esophagus," during World Congress of Gastroenterology, September 2005, Montreal, Canada.

262. Invited Speaker, "Optimal Medical Treatment for Barrett's," during World Congress of Gastroenterology, September 2005, Montreal, Canada.

263. Speaker, "Management of Barrett's Esophagus," during American Gastroenterological Association 2005 Postgraduate Course at the World Congress of Gastroenterology, September 2005, Montreal, Canada.

264. Guest speaker, "Barrett's esophagus" at Raleigh Gut Club, August 2005, Raleigh, NC.

265. Visiting Professor, University of North Carolina, August 2005, Chapel Hill, NC. 266. Visiting Professor, Wake Forest University, August 2005, Winston-Salem, NC. 267. Course Co-Director, "Expert strategies for the treatment of upper gastrointestinal

disorders: focus on new technologies," August 2005, San Francisco, CA.

64

268. Moderator, Digestive Disease Week (DDW) 2005 Highlights, University of Kansas School of Medicine Continuing Education, June 2005, Kansas City, MO.
269. Visiting Professor, University of Louisville, June 2005, Louisville, KY. 270. Speaker, "Clinical issues in Barrett's esophagus," American Gastroenterological Association (AGA) postgraduate course luncheon, during Digestive Diseases Week (DDW), May 2005, Chicago, IL.
271. Chair, "Advanced endoscopic imaging of Barrett's esophagus," American Gastroenterological Association (AGA) research forum, during Digestive Diseases Week (DDW), May 2005, Chicago, IL.
272. Moderator, "Challenging Cases," DDW combined clinical symposium entitled "Management of Barrett's associated dysplasia," during Digestive Diseases Week (DDW), May 2005, Chicago, IL.
273. Moderator, "Endoscopic grading of Barrett's esophagus: The Prague criteria," American Gastroenterological Association (AGA) clinical symposium, during Digestive Diseases Week (DDW), May 2005, Chicago, IL.
274. Speaker, "Endoscopic grading of Barrett's esophagus: The Prague criteria," American Gastroenterological Association (AGA) clinical symposium, during Digestive Diseases Week (DDW), May 2005, Chicago, IL.
275. Speaker, "Narrow band imaging in Barrett's," American Gastroenterological Association (AGA) clinical symposium entitled "Enhanced endoscopic imaging of Barrett's," during Digestive Diseases Week (DDW), May 2005, Chicago, IL.
276. Meet the Professor, session on "Barrett's esophagus," during Digestive Diseases Week (DDW), May 2005, Chicago, IL.
277. Speaker, "Issues in Barrett's esophagus," American Society for Gastrointestinal Endoscopy (ASGE) postgraduate course breakout session, during Digestive Diseases Week (DDW), May 2005, Chicago, IL.
278. Speaker, "Diagnosis of Barrett's esophagus: Is there help on the way?," American Society for Gastrointestinal Endoscopy (ASGE) clinical symposium entitled "Barrett's controversies," during Digestive Diseases Week (DDW), May 2005, Chicago, IL.

279. Invited Speaker, "Endoscopic grading of Barrett's esophagus," Italian Endoscopy Society, April 2005, Naples, Italy.
280. Visiting Professor, University of Wisconsin School of Medicine, lecture on "Barrett's esophagus," April 2005, Madison, WI.
281. State of the Art Lecture, "Barrett's Esophagus," British Society of Gastroenterology Annual Meeting, March 2005, Birmingham, UK.
282. International invited faculty and member Maastricht III Consensus report on *Helicobacter pylori*, March 2005, Florence, Italy.
283. Guest Faculty, Esophagus Update 2005 Course, University of Southern California School of Medicine CME Program, February 2005, Honolulu, HI.
284. Guest Speaker, "Narrow Band Imaging of Barrett's: The US Experience," during Endoscopic Imaging and Therapy at the Cutting Edge, a joint meeting of the American Gastroenterological Association and the Japanese Society of Gastroenterology, December 2004, Washington, DC.
285. Lecture on "Barrett's Esophagus" during Life Science Seminar, VA Medical Center, November 2004, Kansas City, MO.

65

286. Guest Lecture, "Barrett's Esophagus," GERD Society of Japan, November 2004, Tokyo, Japan.
287. Guest Speaker, "Medical and Endoscopic Therapy for Barrett's Esophagus: The Effects of Acid Suppression," during American College of Surgeons Annual Meeting, October 2004, New Orleans, LA.
288. Guest Speaker, "Narrow Band Imaging," during AGA/NIH Symposium on Advanced Imaging and Technology Gastrointestinal Neoplasia, October 2004, Bethesda, MD.
289. Speaker, "Cancer, Dyspepsia, GERD and NSAIDs: How Does *H. pylori* Play a Role?," American College of Gastroenterology Postgraduate Course, October 2004, Orlando, FL.
290. Speaker, "What's the Big Deal? Pills Work Well Enough," American College of Gastroenterology Postgraduate Course, October 2004, Orlando, FL.
291. Moderator, "Challenging Management Issues in Reflux Disease: Do We Have the Answers?" during American College of Gastroenterology Annual Meeting, October 2004, Orlando, FL.
292. Guest Speaker, "Drawing Your Weapons for Barrett's Esophagus: Ablation, Mucosal Resection, When and How," during American College of Gastroenterology Annual Meeting, October 2004, Orlando, FL.

293. Guest Speaker on “Surveillance” during Mini-symposium: Barrett’s How and When, at Seventeenth International Course on Therapeutic Endoscopy, October 2004, Toronto, Canada.
294. Invited faculty, United European Gastroenterology Week, September 2004, Prague, Czech Republic.
295. Course Faculty for AGA ABIM Recertification Course, September 2004, Chicago, IL.
296. Guest Speaker on “Management of the Unresponsive Patient with GERD” during  
Clinical Advances in Gastroenterology, First Annual CME Conference in Southwest Florida, August 2004, Naples, FL.
297. Guest Speaker on “Barrett’s Esophagus: Managing the Patient with Low & High Grade Dysplasia” during Clinical Advances in Gastroenterology, First Annual CME Conference in Southwest Florida, August 2004, Naples, FL.
298. Guest Speaker on “Magnification Endoscopy in the UGI Tract”, at Endoscopy Forum Japan, July 2004, Hakone, Japan.
299. Speaker, session on “Practical approach to managing Barrett’s esophagus,” during  
Gastrointestinal Inflammation and Cancer: A Case-Based Symposium, June 2004, Baltimore, MD.
300. Moderator, Digestive Disease Week DDW 2004 Highlights, University of Kansas School of Medicine Continuing Education, June 2004, Kansas City, MO.
301. Meet the Professor, session on “Endoscopic Imaging and Therapy of Barrett’s Esophagus,” Digestive Diseases Week (DDW), May 2004, New Orleans, LA.
302. Moderator, session on “*H Pylori*: Not dead yet!,” American Gastroenterological Association (AGA) Clinical Symposium, during Digestive Diseases Week (DDW), May 2004, New Orleans, LA.
303. Guest Speaker, “Narrow band imaging,” American Gastroenterological Association (AGA) Clinical Symposium entitled “Zoom, chromo, narrow band imaging; What’s

66

- the best endoscopic method for Barrett’s detection,” during Digestive Diseases Week (DDW), May 2004, New Orleans, LA.
304. Speaker, “42-year-old white female with hoarseness of voice diagnosed by ENT as  
‘vocal cord redness due to acid laryngitis’,” AGA Problem-Based Learning Luncheon, during Digestive Diseases Week (DDW), May 2004, New Orleans, LA.
305. Moderator, session on “Advanced esophageal imaging,” AGA Research Forum, during Digestive Diseases Week (DDW), May 2004, New Orleans, LA.

306. Moderator, session on "Submucosal Tumor (Gastric)," during the ASGE post graduate course, Digestive Diseases Week (DDW), May 2004, New Orleans, LA.
307. Panelist for "Esophageal Reflux" case presentation during the ASGE post graduate course, Digestive Diseases Week (DDW), May 2004, New Orleans, LA.
308. Moderator for clinical symposium entitled "Controversies in Barrett's esophagus-can we improve on current practices?" during Digestive Diseases Week (DDW), May 2004, New Orleans, LA.
309. Speaker, "New working group classifications and future technology," during ASGE clinical symposium entitled "Controversies in Barrett's esophagus-can we improve on current practices?" Digestive Diseases Week (DDW), May 2004, New Orleans, LA.
310. Co-moderator, "Update in Gastroenterology/Hepatology," Scientific Program  
Session during American College of Physicians (ACP) Annual Meeting, April 2004, New Orleans, LA.
311. Lecture on "New diagnostic tests in Barrett's esophagus," during The Fourth Bi-annual Esophageal Summit, Esophageal Diseases: What's New & Controversial, April 2004, Cleveland, OH.
312. Lecture on "PPIs/Ablation," during The Fourth Bi-annual Esophageal Summit, Esophageal Diseases: What's New & Controversial, April 2004, Cleveland, OH.
313. Lecture on "Endoscopic treatment-suture, inject or burn," during The Fourth Bi-annual Esophageal Summit, Esophageal Diseases: What's New & Controversial, April 2004, Cleveland, OH.
314. Guest speaker on 'Barrett's esophagus' during the commemoration of the 35<sup>th</sup> specially offered training course in Detection of Early Intestinal Cancer and related Digestive Tumors, Japan International Cooperation Agency and Foundation for detection of early Gastric Carcinoma, March 2004, Tokyo, Japan
315. Lecture on "LGD Management" during Barrett's Esophagus/GERD Western  
Regional Fellows Conference, February 2004, Scottsdale, AZ.
316. Lecture on "Medical Therapy" during Barrett's Esophagus/GERD Western Regional  
Fellows Conference, February 2004, Scottsdale, AZ.
317. Visiting Professor at Temple University, lecture on "Markers, cancer surveillance and dysplasia in Barrett's esophagus," Temple University Hospital, February 2004, Philadelphia, PA.
318. Lecture on "New endoscopic technologies for esophageal diseases," during Update for Clinicians, New Horizons in Management of Esophageal and Gastric Disorders, December 2003, Orlando, FL.

319. Lecture on “*Helicobacter pylori* and GERD,” during Update for Clinicians, New Horizons in Management of Esophageal and Gastric Disorders, December 2003, Orlando, FL.

67

320. Lecture on “Endoscopic treatment for GERD: Any viable options?” during Update for Clinicians, New Horizons in Management of Esophageal and gastric Disorders, December 2003, Orlando, FL.

321. Lecture on Natural history of dysplasia in Barrett esophagus: Can it be prevented?” during Update for Clinicians, New Horizons in Management of Esophageal and Gastric Disorders, December 2003, Orlando, FL.

322. Visiting Professor, University of Utah, November 2003, Salt Lake City, UT. 323. Lecture on “Endoscopic ablation of Barrett’s esophagus,” at Salt Lake City Gut Club, November 2003, Salt Lake City, UT

324. Visiting Professor, Emory University, November 2003, Atlanta, GA. 325. Gastroenterology Grand Rounds, New York University, November 2003, New York, NY

326. Lecture on “Upper endoscopy standard & difficult intubation instrumentation-oblique; side-viewing; high-resolution; high-magnification; trans-nasal,” during ASGE First Year Fellow’s Endoscopy Course, November 2003, Oak Brook, IL.

327. Guest Faculty, United European Gastroenterology Week (UEGW) symposium, lecture on “Endoscopic diagnosis of Barrett’s Oesophagus” UEGW Annual Meeting, November 2003, Madrid, Spain.

328. Moderator, “Controversies in Esophageal Disease,” American College of Gastroenterology Annual Postgraduate Gastroenterology Course, October 2003, Baltimore, MD.

329. Lecture on “Dysplasia in Barrett’s – Observation or Intervention?,” during American

College of Gastroenterology Annual Meeting, October 2003, Baltimore, MD. 330. Co-Moderator for plenary session on “Esophagus/Colon,” American College of

Gastroenterology Annual Meeting, October 2003, Baltimore, MD.

331. ‘The Solly Marks Lecture’ on Barrett’s Esophagus: where to from here? during the

South African Digestive Diseases Week, August 2003, Johannesburg, South Africa. 332. Guest Faculty, and lecture on ‘Endoscopic treatment of reflux disease’ during the

South African Digestive Diseases Week, August 2003, Johannesburg, South Africa. 333. Faculty, “Barrett’s Esophagus,”

Medical University of South Carolina 8<sup>th</sup> Annual

- Advanced Endoscopy Update, May 2003, Isle of Palms, SC.
334. Moderator, Problem-Based Learning (PBL) Session, "58-Year-Old Patient With Nodule in the Distal Esophagus, Biopsies Showing Early Cancer Who Declines Surgical Treatment," Digestive Diseases Week (DDW), May 2003, Orlando, FL.
335. Moderator, session on "*H. Pylori* and NSAIDs: Why So Much Controversy?," American Gastroenterological Association, Digestive Diseases Week (DDW), May 2003, Orlando, FL.
336. Moderator, session on "Anatomic and Molecular Imaging of Dysplasia," American Gastroenterological Association, Digestive Diseases Week (DDW), May 2003, Orlando, FL.
337. "Meet the Professor" session on "Barrett's," during Digestive Diseases Week (DDW), May 2003, Orlando, FL.
338. Lecture on "Role of Endoscopic Therapies vs. Esophagectomy," during Symposium on "Barrett's Esophagus," Digestive Diseases Week, May 2003, Orlando, FL.

68

339. Lecture on "Natural History of Dysplasia," during Symposium on "Evolution in the Management of Barrett's Esophagus," American Gastroenterological Association, Digestive Diseases Week, May 2003, Orlando, FL.
340. Faculty for "ABIM Re-Certification: CPD GI Knowledge Module 04-C," Digestive Diseases Week, May 2003, Orlando, FL.
341. Faculty, "Introduction and Review of Workshop Methodology," Digestive Diseases Week, May 2003, Orlando, FL.
342. Moderator, "Advanced Imaging Technologies for Barrett's Metaplasia and Dysplasia," during Digestive Diseases Week, May 2003, Orlando, FL.
343. Lecture on "Chromo and Magnification Endoscopy," at Digestive Diseases Week, May 2003, Orlando, FL.
344. Visiting Professor, Medical University of South Carolina, May 2003, Charleston, SC. 345. Guest Faculty for GEEMO Annual Meeting 2003, lecture on "New endoscopic technologies: a useful tool or just fancy?" April 2003, Gothenburg, Sweden
346. Lecture on "Ablation Therapies for Barrett's Esophagus" and "Medical Management of GERD and Barrett's Esophagus: What is optimal therapy?," Washington University School of Medicine, April 2003, St. Louis, MO

347. Lecture on "Barrett's esophagus," during GI Update & Clinical Reasoning,  
University of Kansas Medical Center, March 2003, Kansas City, KS.
348. Co-Moderator for GI Update & Clinical Reasoning, University of Kansas Medical Center, March 2003, Kansas City, KS.
349. Visiting Professor, University of Maryland, Feb 2003, Baltimore, MD. 350. Visiting Professor, University of Michigan, Feb 2003, Ann Arbor, MI. 351. Visiting Professor, Medical College of Virginia, Dec 2002, Richmond, VA. 352. Lecture on "Barrett's Esophagus: Where Do We Stand" during symposium: Now and Then at Yale University, Nov 2002, New Haven, CT.
353. Course Director, American Society for Gastrointestinal Endoscopy (ASGE) First Year Fellows Endoscopy Course, October 2002, Chicago, IL.
354. Lecture entitled "Barrett's Esophagus" during American Society for Gastrointestinal Endoscopy (ASGE) First Years Fellows Endoscopy Course, October 2002, Chicago, IL.
355. Co-Moderator for plenary session on "Esophagus," ACG Annual Meeting, October 2002, Seattle, WA.
356. Lecture during Postgraduate Course Learning Luncheon entitled "Chromoendoscopy," ACG Annual Meeting, October 2002, Seattle, WA. 357. Lecture during Postgraduate Course Symposium on "Barrett's Esophagus," presentation entitled "Role of Histology, Genetics and Biomarkers," ACG Annual Meeting, October 2002, Seattle, WA.
358. Co-moderator, for symposium "*H. pylori*: Is the bug really dead?," ACG Annual Meeting, October 2002, Seattle, WA.
359. Lecture on "*H. pylori* Protects Against GERD, Barrett's and Cancer," ACG Annual Meeting, October 2002, Seattle, WA.
360. Lecture on "Risk of Dysplasia in Short Segment Barrett's and Cardia Intestinal Metaplasia," at the International Symposium on Barrett's Esophagus, September 2002, Norderstedt, Germany.

69

361. Lecture on "Fundoplication and Surveillance in Barrett's Esophagus: Pro & Con," at the International Symposium on Barrett's Esophagus, September 2002, St. Gallen, Switzerland.
362. Lecture on "Barrett's Esophagus is a Threat to Mankind," Mayo School of Continuing Medical Education "Upper Gastroenterology:

- What's New in Diagnosis and Therapy of Diseases of the Esophagus, June 2002, Rochester MN.
363. Medicine Grand Rounds on "Barrett's esophagus", Christ Hospital & Medical Center, Oak Lawn, IL, June 2002.
364. Co-moderator, "Chromoendoscopy/Magnification Imaging," during ASGE's Annual Postgraduate Course, Digestive Diseases Week (DDW), May 2002, San Francisco, CA.
365. Lecture on "Barrett's Esophagus: Screening and Surveillance," during ASGE's Annual Postgraduate Course, Digestive Diseases Week (DDW) May 2002, San Francisco, CA.
366. Faculty member for "Screening and Ablative Techniques for Barrett's Esophagus: Don't Do It. Should We..How?", during AGA's 2002 Spring Postgraduate Course, Digestive Diseases Week (DDW), May 2002, San Francisco, CA.
367. Moderator, "Barrett's Esophagus," during AGA Focused Clinical Research Update, Digestive Diseases Week (DDW), May 2002, San Francisco, CA.
368. State-of-the-Art Lecture on "Diagnosis and Treatment of Barrett's Esophagus," during ASGE State-of-the-Art Lecture Topic Fora, Digestive Diseases Week, May 2002, San Francisco, CA.
369. Moderator and Lecture on "Upper GI Diseases," at ASGE Poster Grand Rounds, Digestive Diseases Week, May 2002, San Francisco, CA.
370. Co-chair, plenary session on "Barrett's esophagus," American Gastroenterological Association, Digestive Diseases Week (DDW), May 2002, San Francisco, CA.
371. Moderator, Problem-Based Learning (PBL) Session, "42-Year-Old White Male with Chronic GERD and Short Segment Barrett's Esophagus," Digestive Diseases Week (DDW), May 2002, San Francisco, CA.
372. Visiting Professor. Medicine Grand Rounds on "Barrett's esophagus: the risk between GERD and esophageal adenocarcinoma," Encino-Tarzana Medical Center, May 2002, Encino CA.
373. Co-chair, "Surveillance/Databases," National Cancer Institute (NCI) Stomach/Esophageal Cancers Progress Review Group Roundtable meeting, May 2002, Chantilly, VA
374. Visiting Professor, University of Iowa, Grand Rounds on "Barrett's Esophagus: an Evolving Concept," April 2002, Iowa City, IA.
375. Lecture on "Extra-esophageal symptoms in GERD: How do we

show that gastroesophageal reflux is responsible for pulmonary symptoms such as cough or asthma?," AGA GERD Program, Consensus Development Meeting, March 2002, Chicago, IL.

376. Lecture on "Barrett's esophagus" during ASGE 1<sup>st</sup> Year Fellows Conference, March 2002, Chicago, IL.
377. Lecture on "Barrett's esophagus" at Milwaukee GI Society Meeting, March 2002, Milwaukee, WI.

70

378. Visiting Professor at Medical College of Wisconsin, Grand Rounds on "Barrett's esophagus," March 2002, Milwaukee, WI.
379. Chair session on "Challenges in reflux disease" during World Congress of Gastroenterology, February 2002, Bangkok, Thailand.
380. Lecture on "Chronic GERD/heartburn/Barrett's esophagus," during GI Update & Clinical Reasoning, February 2002, University of Kansas Medical Center, Kansas City, KS.
381. Lecture on "Epidemiology and Diagnosis of Nocturnal GERD" during AGA Scientific Advisory Board Meeting, December 2001, Charleston, SC.
382. Visiting Professor to University of Alabama, Grand Rounds on "Update: Barrett's esophagus," December 2001, Birmingham, AL.
383. Guest Faculty, 6<sup>th</sup> Workshop on Therapeutic Endoscopy and the 5<sup>th</sup> Workshop on Motility Disorders, Lecture on "Barrett's – a changing concept in the century," October 2001, Taichung, Taiwan.
384. Moderator, "Controversies in treatment of GERD," ACG Annual Meeting, October 24, 2001, Las Vegas, NV.
385. Lecture on "Endoscopic treatment for GERD: Is it ready for use?" ACG Annual Meeting, October 2001, Las Vegas, NV.
386. Moderator, "Chasing the goblet cell: Recent advances in Barrett's esophagus" ACG Annual Meeting, October 2001, Las Vegas, NV.
387. Lecture on "We scrape, we burn, we tear and we almost remove...But do we deliver? Current treatment strategies for Barrett's esophagus," ACG Annual Meeting, October 2001, Las Vegas, NV.
388. Course Director, ACG course for primary care physicians, ACG Annual Meeting, October 2001, Las Vegas, NV.

389. Guest Faculty, lecture on "Approach to a patient with Barrett's esophagus," during  
 ACG primary care course, ACG Annual Meeting, October 2001, Las Vegas, NV. 390. Lecture on "Difficult decisions in Barrett's esophagus," during Gastroenterology Update 2001, September 2001, Charlotte, NC.
391. Lecture on "Non-medical approaches to GERD," during Primary Care Update:  
 Gastroenterology/Hepatology 2001, September 2001, Charlotte, NC. 392. Course Co-Director, Annual Kansas State GI Society Meeting & Regional Postgraduate Course, September 2001, Kansas City, MO.
393. Moderator, "The Esophagus," Annual Kansas State GI Society Meeting & Regional Postgraduate Course, September 2001, Kansas City, MO.
394. Lecture on "Barrett's Update," Annual Kansas State GI Society Meeting & Regional Postgraduate Course, September 2001.
395. Moderator, "62-year-old white male with chronic GERD symptoms, Barrett's esophagus and high grade dysplasia," during American Gastroenterological Association Problem Based Learning Session, Digestive Diseases Week, May 2001, Atlanta, GA.
396. Moderator, "Esophagogastric Junction Cancers," DDW Combined Clinical Symposium, Digestive Diseases Week, May 2001, Atlanta, GA.
397. Lecture on "Epidemiology & Pathogenesis of EGJ Cancers," Digestive Diseases Week, May 2001, Atlanta, GA.

71

398. Lecture on "Short Segment Barrett's Esophagus: Therapy – Medical & Ablative," during Symposium on "Short Segment Barrett's Esophagus," Digestive Diseases Week, May 2001, Atlanta, GA.
399. Lecture on "What is Practical for High Grade Dysplasia?" during Symposium on "Evolution in the Management of Barrett's Esophagus," American Gastroenterological Association, Digestive Diseases Week, May 2001, Atlanta, GA. 400. Guest Faculty, African Middle-East Association of Gastroenterology (AMAGE) 2<sup>nd</sup> International Congress, lecture on "Surveillance of Barrett's esophagus" and "Pathogenesis of Barrett's esophagus", April 2001, Cairo, Egypt.
401. Barrett's esophagus working group, National Institute of Health (NIH). Lecture on  
 "Prevalence and incidence of intestinal metaplasia, dysplasia and cancer" during

- National Cancer Institute (NCI) Epidemiology & Risk Factors working group meeting, February 2001, Bethesda, MD.
402. Guest Faculty, European Association of Gastroenterology & Endoscopy (EAGE)  
Post Graduate Course, lecture on "Recent advances in the pathogenesis of columnar metaplasia" UEGW Annual Meeting, November 2000, Brussels, Belgium.
403. Guest Faculty, lecture on "Thermal Ablation of Barrett's Esophagus," ACG Annual Meeting, October 2000, New York, NY.
404. Guest Faculty, lecture on "Risk of Adenocarcinoma in Patients with Barrett's esophagus," (during symposium on Evidence Based Medicine Approach to Barrett's Esophagus), ACG Annual Meeting, October 2000, New York, NY.
405. Course Director, ACG course for primary care physicians, ACG Annual Meeting, October 2000, New York, NY.
406. Guest Faculty, "Update on GERD and Barrett's Esophagus," during ACG primary care course, ACG Annual Meeting, October 2000, New York, NY.
407. Guest Faculty, lecture on "An Update on Strategies for Eradication of Barrett's Mucosa," Third Multi-Disciplinary International Symposium on Supra-esophageal Complications of Reflux Disease, August 2000, Boston, MA.
408. Co-chair, plenary session on "Barrett's esophagus," American Gastroenterological Association, Digestive Diseases Week, May 2000, San Diego, CA.
409. Lectures on "Can the rate of degeneration of short segment Barrett's esophagus be evaluated?" and "Can the prevalence of short segment Barrett's be accurately evaluated?," 6<sup>th</sup> O.E.S.O. World Congress, September 2000, Paris, France.
410. Co-moderator for symposium on "Geo-prevalence of Barrett's esophagus," 6<sup>th</sup> O.E.S.O. World Congress, September 2000, Paris, France.
411. Course Faculty- Internal Medicine Board Review Course. July 2000. Kansas City, MO
412. Course co-director for American College of Gastroenterology (ACG) Regional Postgraduate Course, June 2000, Kansas City, MO.
413. Lecture on "Chromoendoscopy" during the ACG Regional Postgraduate Course, June 2000, Kansas City, MO.
414. Guest Faculty for symposium on Barrett's esophagus. Lecture on "Surveillance of short segment Barrett's esophagus". Mayo Clinic, June 2000, Rochester, MN.
415. Medicine Grand Rounds "Update on acid peptic disease." Providence St Peter Hospital, May 2000, Olympia, WA.

416. Course Director for American College of Gastroenterology (ACG) - Gastroenterology for the Primary Care Provider, April 2000, Dallas, TX.
417. Lecture on "Update on gastro esophageal reflux disease & Barrett's esophagus" during the American College of Gastroenterology Course for Primary Care Providers, April 2000, Dallas TX.
418. Course Director for American College of Gastroenterology (ACG) – Gastroenterology for the Primary Care Provider, March 2000, Chicago, IL.
419. Lecture on "Update on gastroesophageal reflux disease & Barrett's esophagus" during the American College of Gastroenterology Course for Primary Care Providers, March 2000, Chicago, IL.
420. Visiting Professor at the University of Arizona.  
Lecture on "Role of chromoendoscopy in Barrett's esophagus." October 1999, Tucson, AZ.
421. Lecture on "Advances in the treatment of Barrett's esophagus," Gastroenterology  
Update 1999, Carolinas Health Care System and ACG, September 1999, Charlotte, NC.
422. Co-moderator for symposium on "Endoscopic ablation of Barrett's esophagus."  
American College of Gastroenterology (ACG) Annual Meeting, October 1999, Phoenix, AZ.
423. Course Faculty – Internal Medicine Board Review Course, July 1999, Kansas City, MO.
424. Lecture on "Rationale for endoscopic ablation of Barrett's esophagus." American  
College of Gastroenterology (ACG) Annual Meeting, October 1999, Phoenix, AZ.
425. Medicine Grand Rounds "Update on GERD and Barrett's esophagus" St. Louis VA  
Medical Center, July 2000, St. Louis, MO.
426. Medicine Grand Rounds "Spectrum of gastroesophageal reflux disease" at St. Luke's Hospital of Kansas City, April 1999, Kansas City, MO.
427. Medicine Grand Rounds "Recent advances in gastroesophageal reflux disease," at  
University of Kansas, Wichita, KS, June 1999, Wichita, KS.
428. Course Director for American College of Gastroenterology (ACG) –  
Gastroenterology for the Primary Care Providers," October 1999, Phoenix, AZ.
429. Lecture on "Update on gastroesophageal reflux disease & Barrett's esophagus"  
during the American College of Gastroenterology Course for Primary Care Providers, October 1999, Phoenix, AZ.
430. Lecture on "Controversies in Barrett's esophagus - Short segment

Barrett's esophagus." American College of Gastroenterology Annual Meeting, October 1998, Boston, MA.

- 431. Visiting Professor at the University of Arizona. Discussion on "Barrett's esophagus and cardia intestinal metaplasia." December 1998, Tucson, AZ.
- 432. Symposium on "Gastroesophageal reflux disease (GI Update 1998)." Southern Medical Association's Annual Scientific Assembly, November 1998, New Orleans, LA.
- 433. Moderator and co-chair for the North American Conference of Gastroenterology Fellows, March 1998, Tampa, FL.
- 434. Medicine Grand Rounds. Case management discussion on "GERD". University of Arizona, May 1997, Tucson, AZ.

73

- 435. Moderator for the National Trainees Forum at the American College of Gastroenterology Annual Meeting, October 1997, Chicago, IL.

### National & International Committees

2015-current	Governing Board: American Society for Gastrointestinal Endoscopy (ASGE)
2012-current	Director: The International Society for Diseases of the Esophagus (ISDE)
2012-current	Chair: Publications Committee, World Gastroenterology Organization (WGO)
